*At Great Lakes Christian Preschool we believe children will develop to their fullest potential through participation in a wide variety of activities which take place in a safe, secure, and nurturing environment. Teachers weave Christian values into lessons and bring a spiritual component to learning. Through careful planning and implementation, children receive stimulation for their cognitive, emotional, social and physical development that will enrich their lives and cause them to enjoy learning. It is important to us to provide the best early learning experience possible because it will influence children throughout their lives.*

## GREAT LAKES CHRISTIAN PRESCHOOL

### Half-Day & Full-Day Programs

**For Children Ages 2 1/2 to 5 years**

4875 King Street, Beamsville, ON L0R 1B6

"We are very pleased with the preschool and the programming that our daughter is receiving. She is identifying letters everywhere she goes, singing, saying, 'Bonjour', saying her prayers and she begs to go to school everyday! Not to mention all the stories she tells about her friends. It is incredible how much you and your wonderful teachers have taught her in such a short time."

- Rosie Warner

"I truly appreciate all the kindness you show towards my son. The environment you provide for the students is so welcoming and warm, and I'm so grateful my son is a part of it!"

- Stacey Gillespie

Great Lakes Christian Preschool is located on the campus of Great Lakes Christian High School in Beamsville, Ontario. The Preschool has served the Town of Lincoln and the surrounding area since 1996.

The Preschool offers an early learning program from September to June and is designed for children ages 2 1/2 to 5. Experienced teachers and registered early childhood educators work together to develop programming which will meet the needs of individual children and suit various learning styles.

The curriculum is designed to allow children to learn through play-based activities. Children are carefully guided to develop positive social and emotional skills throughout their contact with others. Care is taken to provide a positive learning environment. Ratios of one teacher to 8 children offer opportunity for more one-on-one teacher to child interaction.

Great Lakes Christian Preschool is licensed with the Ministry of Education and maintains credentials with Quality Child Care Niagara.

Great Lakes Christian Preschool offers programs for children ages 2 1/2 to 5. Preschool hours are 8 a.m. to 4 p.m.
